* Waterford Boat Club operates a waiting list system due to current demand. This is not a first come first serve system, rather WBC, at the discretion of the Captain, may accept applicants based on several criteria including their suitability to merge with existing established training groups and likelihood to commit to a training programme.

** All rowers at Waterford Boat Club **MUST** be capable of swimming 100 meters in light clothing. This is in line with the Rowing Ireland Water Safety Code: <http://www.rowingireland.ie/rowing-ireland-water-safety-code/>
All active rowers can expect to undergo a swim test once every year.
